

# MUSIC PERFORMANCE (GRADUATE CERTIFICATE)

---

## Overview

The Graduate Certificate in Music Performance is designed to provide an intensive year of post-baccalaureate study, with an intensive focus on music performance and repertoire development. It is designed for the student who is preparing for a professional appointment or in preparation for advanced degrees in music.

To qualify for this certificate program, students must have completed a bachelor’s degree or equivalent in music, as well as a thorough interview and audition.
