

FILM PRODUCTION (NEXUS)

Program Overview

The nexus degree will provide Georgians access to a career in the high demand area of Film Production (as defined by the Governor's report on High Demand Career Initiatives). The Nexus Degree is tightly aligned with high priority talent demand of film production and the competencies and capabilities valued most within the industry. The Nexus degree is intended for anyone interested in pursuing a career in a film production-related-area – people who have not earned a degree, people who have a degree but want to transition into a high demand career field, and people who work in a high demand career field and want to advance in their film career ladder.

The Film Production Nexus consists of 60 credit hours, with a minimum requirement of 12 credit hours of upper-division courses (e.g., 3000-4000) and includes a substantive experiential learning component. Experiential learning components are foundational to each course offered in this degree.
