

MUSIC PERFORMANCE (BM) - VOCAL CONCENTRATION

Program Overview

The **Bachelor of Music in Performance** degree is for students who aspire to become professional performers. Students study privately under the direction of our artist-faculty and are held to the highest performance expectations, and classroom instruction with low student-to-teacher ratios in the core areas of music theory, ear training, and music history provide the fundamental background necessary for success as a well-rounded musician.

Students perform in our large ensembles (symphony orchestra, wind ensemble, choir, jazz band) as well as have the opportunity to grow through the chamber music experience each semester. These ensembles are coached by faculty and include multiple performance opportunities in our world-class facilities and throughout Columbus and the surrounding region. Celebrated guest artists from around the world come to the Schwob School of Music to teach and perform with and for our students. Students can also elect to take courses in areas that supplement their performing skills such as music business, audio technology, and body mapping, creating well-equipped performers for the 21st century marketplace.
