SECONDARY EDUCATION (EDS)

Program Overview

Teachers holding a T-5 teaching certificate (or eligible for T-5, master's level certificate) with at least two years of teaching experience while holding a valid teaching certificate may apply for admission to the Specialist in Education (Ed.S.) program. Education Specialist candidates develop content and pedagogical expertise as well as seek to influence educational decisions outside their own classrooms. They become increasingly accomplished teachers who display leadership. Our EdS program is a fully online program that can be completed in five semesters and it serves for teachers in any location of the state of Georgia. The program admits students for Summer and Fall terms only.

All educator preparation programs are approved by the Georgia Professional Standards Commission.

Career Opportunities

Successful completion of the Ed.S. allows the candidate to apply to upgrade teacher certification to the T-6 level.

Program of Study

Code	Title	Credit	
		Hours	
Professional Core (15 hours) 15			
EDCI 7111	Specialist Portfolio Orientation	1	
EDCI 7112	Specialist Portfolio Midpoint Review	1

Electives (6-9 hours)

Admission Requirements

- GPA of at least 3.0 on all graduate course work at an accredited United States institution in fulfillment of the requirements for a graduate degree
- A Level Five (5) or a master's level teaching certificate or eligibility for such certificate in secondary education
- The successful applicant must not have a criminal record or discharge from the armed services that would prevent recommendation for related teacher certifications

 Minimum two years of teaching experience while holding a valid teaching certificate

Additional Program Requirements

- Students must earn a 3.0 GPA calculated on all graduate work attempted. "Academic Forgiveness" policy does not apply to graduate studies.
- A maximum of one course (not to exceed four semester credit hours) with a grade of "C" may apply to a specialist degree in education.
- A minimum of 24 semester hours required for the degree must be earned in residence (75%). Asynchronous (online) and distance learning courses administered through Columbus State University constitute courses taken in residence.
- A maximum of six (6) semester hours of transfer credit or courses taken at CSU prior to full admission to a specialist degree program may be applied toward the degree. Courses with earned grades of "C" or below are not accepted. Courses must be approved by the major advisor and department chair.
- · Students must complete a research project.
- An active Tk20 account is a required resource for this program because selected assignments must be submitted electronically using this online platform. Tk20 (www.tk20.com (http:// www.tk20.com)) is used by the university to maintain our accreditation, to demonstrate the quality of our academic programs, and to improve teaching and learning.
- Students must be continuously enrolled in specialist project hours until completion of the specialist project.
