

CSU LIBRARIES

Columbus State University maintains two libraries: the Schwob Library in the center of the main campus and the Music Library in the RiverCenter for the Performing Arts on the RiverPark campus. The Libraries serve as CSU's premier information resource that provides a print collection of over 400,000 volumes as well as access to thousands of electronic journal articles via GALILEO, Georgia's impressive collection of over 100 electronic databases.

Schwob Library supports two computer labs and circulates laptops that may be used anywhere throughout the facility using the campus WiFi. Collaborative learning and study rooms are available on a first-come, first-served basis.

The staff of CSU Libraries is comprised of library faculty and staff members who strive to provide quality service for all library users.
